Description:

From USA Today and NYT best-selling author Cora Brent....Those dirty-talking, hard-loving, sexy alpha triplets are back! This time its Chase Gentry who has met his match in the latest story filled with gritty realism, steamy bedroom antics, and the unbreakable bonds of love and brotherhood. May be listened to as a standalone. Stephanie... As a bookie, I know more about money lines, pay sheets, and point spreads than any six men. I always thought I was in control until a terrible betrayal taught me otherwise. The price was my dignity, and I cant bear to make any

more mistakes. Chase Gentry figured it would be easy to get to me. He thought I was like every other girl, just dying to spread wide for him. I knew it was a rotten gamble to get mixed up with a guy too smart and too hot for his own good. Chase is destined to be as much trouble to those around him as he is to himself. But its too late. Hes already won my heart. Everyone around us insists that were wrong for each other - too intense, too explosive. Everyone might be right. Chase... Gentry men arent supposed to be very bright. Were big. Were brutal. Women cant wait to invite us inside. I know I can have any one of them I want any time I want. It seems unlikely that some bad-tempered chick and her snotty attitude would keep my interest, but here it is. Stephanie has no idea what she does to me. I want that girl in more ways than I can even talk about. It should have been enough to have her and be done with it. But no matter how volatile we are together, its never enough. To hell with anyone who objects. Im not letting her go. Warning: The third book in the best-selling Gentry Boys series contains explicit language, sexual situations, and violence that may be upsetting to some.

This one is Chases story. In this book we get to see beneath his charming, seemingly carefree surface persona and see the effects the abusive childhood the triplet brothers endured on him. In the first book Chase is ambushed by some disgruntled frat boys and very badly beaten. During his recuperation he becomes dependent on painkillers. As is their habit, his brothers close ranks around him. Surrounded by their love and support, he goes into rehab and afterward attends regular support meetings. He is very intelligent and is now taking college classes. The heroine, Stephanie Bransky, is the roommate of Truly (brother Creeds girlfriend). She was introduced in the second book and frankly, wasnt a very likeable character. It turns out her father, whos now in prison, was a bookie. Her mother died of cancer, one brother in the family business was murdered, and her other brother disappeared out of her life. She moved across the country and became a bookie herself to pay for college. By showing compassion for a potential client, Stephanie found herself in an untenable situation and was filmed in a humiliating video that shes living in fear will surface online. She is very standoffish and has a difficult time opening up to people. She has opened up a little to Truly. She and Chase are taking a class together. He is able to effortlessly charm women and is intrigued by Stephanie, who isnt easily won over by him. Their story is interesting and captivating, a good addition to the series.
