Description:

Throughout Scripture we are counseled to live at all times with the understanding that life on this earth is very brief and is followed by an eternal existence of either indescribable bliss in God's presence or unbearable agony in separation from Him. Peter declares that the knowledge that "the

heavens shall pass away with a great noise...[and] the earth also and the works that are therein shall be burned up” (2 Peter 3:10) causes us to live godly lives. And John adds that the hope of being transformed into His likeness when He shall appear causes us to purify ourselves (1 John 3:2,3). Many would have us believe that self-love is the answer to the world’s ills. Both Christian leaders and the unsaved are teaching and preaching this lie. In fact, it is self-love that has wrought the ills of the world: greed, lust, envy, and strife. What we actually need is a passionate love for God and His Word, turning us from earthly ambitions to heavenly hope. Not even a kingdom ruled by Christ on this earth is our hope, but heaven itself is.

This is a very well written book with lots of scripture to back up everything Dave Hunt says. It explains the Trinity and many other religions beliefs. I would highly recommend this book to anyone searching for truth with scripture backed references. I loved this book and it is a very easy read with scripture written on the page so you dont have to go to you Bible - though you may want to. I am getting this book to give to friends who are questioning Christianity and also to my long time believer friends. There is something for everyone in this book. Good job Dave! I can hardly wait to read more of his books. I also read A Woman Rides the Beast and gleaned much from it also. Dave is a man after Gods own heart. No doubt this man follows Gods Word exactly ... and only Gods Word. Refreshing and enlightening.
